Maggie Valley Chamber of Commerce
PO Box 279
Maggie Valley NC 28751

Owning a business is tough these days. With the price of everything increasing, it is difficult to make ends meet. Wouldn't it be nice to pay less and still receive a discounted price, top-notch service and supply?

Now you can! Maggie Valley Chamber members (some exceptions may apply) can now save money on their purchase of propane through a special program offered with Blossman Gas of Waynesville.

The Chamber has negotiated a contract with Blossman Gas for a discounted rate through June, 2023 at just pennies above their cost and is offering this special rate to our Chamber membership. Contracts are re-negotiated in July.

The fee to participate in the Propane Program is $150 per year*, along with a Maggie Valley Chamber membership at the Business, Premier or Executive level.

Benefits of this program include:

• Discounted rate on propane for your business and primary residence (in Haywood County**)

• 20% discount on all service work.

• $12 per year tank rental, per tank.

You will need to own your propane tank or rent a tank from Blossman Gas. Additional fees apply to switch out your tank from another company.

_____

*Participation in the program is July 1 - June 30. Fees will be pro-rated if you join prior to July 1.

** Participation for businesses outside of Haywood County will be considered on a case-by-case basis.
